

DETAILS FOR VACCINATION

1. The Vaccine administered is COVISHIELD. We have tied up with Manipal Hospital in Bangalore.
2. It is not mandatory to register in Co-WIN portal / Aarogya Setu app prior to vaccination. On spot registration can be done. SCHEDULING of appointment on Co-WIN / Aarogya Setu app is also not mandatory.
3. Each beneficiary should be registered separately by clicking the same link again. Please make sure that one Form is used for each beneficiary.
4. Employee may opt to vaccinate spouse, parents, children and other family members as beneficiaries (beneficiary must be 18+ to be eligible for vaccination). Company will sponsor the expense for employee and spouse. For other beneficiaries, Rs. 1100 per beneficiary will be deducted from the employee's payroll.
5. Employees registered for the vaccination drive will be charged the cost if they do not turn up on the day of appointment.
6. Beneficiaries who have already received one dose of a vaccine different from the one being administered currently (COVIDSHIELD) shall not be vaccinated for the current drive. They are expected to get the second dose of the same vaccine at an appropriate COVID vaccination center. However, those who have received COVIDSHIELD as first dose may be provided second dose during this drive.
7. Please note, beneficiaries who have already received first dose of a vaccine and due for the second dose should have completed 12 weeks as on the vaccination date to be eligible for the upcoming drive.
8. Those who tested Covid positive, it is suggested that they wait for 3 months after recovery and then get vaccinated.
